## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Lord on 1 May 2006.

The application has been amended as follows: claims 31, 39 have been amended to read as follows:

31. (Currently Amended) A method for searching a tree structured hierarchical directory server, said directory server comprising a plurality of entries comprising at least one role, said role for grouping said plurality of entries comprising:

accessing a first role associated with one or more of said plurality of entries wherein said first role comprises a first identifiable attribute and a first distinguished name;

accessing a second role associated with one or more of said plurality of entries wherein said second role comprises a second identifiable attribute and a second distinguished name;

determining if one or more of said plurality of entries comprises said first identifiable attribute and said second identifiable attribute; [[and]]

creating a third role comprising said first identifiable attribute and said second identifiable attribute[.]; and

retrieving at least one of the plurality of entries using the third role.

39. (Currently Amended) A computer readable medium comprising instructions, that when executed, perform a method for searching a tree structured hierarchical directory server, said directory server comprising a plurality of entries comprising at least one role, said role for grouping said plurality of entries, said method comprising:

accessing a first role associated with one or more of said plurality of entries wherein said first role comprises a first identifiable attribute and a first distinguished name;

accessing a second role associated with one or more of said plurality of entries wherein said second role comprises a second identifiable attribute and a second distinguished name;

determining if one or more of said plurality of entries comprises said first identifiable attribute and said second identifiable attribute; [[and]]

creating a nested role by encapsulating said first distinguished name and said second distinguished name wherein said nested role comprises said first identifiable attribute and said second identifiable attribute and can be associated with one or more of said plurality of entries[.]; and

retrieving at least one of the plurality of entries using the nested role.

2. The following is an examiner's statement of reasons for allowance: the terminal disclaimer filed on 4 May 2006 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US Patent Number 6,785,686 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Uyen T. Le whose telephone number is 571-272-4021. The examiner can normally be reached on M-F 9:00-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Don Wong can be reached on 571-272-1834. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
